REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Camden Middle School continued in 2009-2010 to excel in academics, athletics, and the fine arts. Our students have progressed in all areas. Our 2009 AYP increased from meeting 15 out of 21 targets to 19 out of 21. The increase was due to African- American and subsidized meals subgroups meeting performance standards in english, language arts, and math. To increase academic success Camden Middle School has continued, with great achievement, the 30-minute Enrichment class. In all classes, teachers focus on teaching and extending the state curriculum. We teach the Habits of Mind for intelligent thinking as an integral part of our curriculum. Camden Middle School continues to offer high school credits in Algebra I and English I. More students completed these courses in 2009-2010 and every student passed the End of Course Examination Program. CMS participated in academic and talent search program. Eighth-grade students participated in the PSAT testing. CMS had 22 students named to the SAT South Carolina Junior Scholars Honor Court. Three seventh-graders qualified as Duke TIP scholars. Eleven seventh-graders earned awards in the University of South Carolina Region II Science Fair in March of 2010. Six students won the Best in 7th-grade Awards. Fifteen eighth grade students were awarded the Superintendent's Writing Award. A seventh grade student was awarded the Daughter's of the American Revolution Citizenship Award. A sixth grade student won the VFW Patriot's Pen Award. Camden Middle School excelled in athletics again this year. Both girls and boys basketball teams won the conference championship. The Lady Eagles basketball team completed its third year in a row as undefeated. The CMS band won numerous awards, including an "excellent" rating at the state Jazz Band Festival. CMS students earned Excellent and Superior individual ratings as well.
